

HyperMail 4.0 Pre Sign-Up Order Form

HyperText Group, Inc. is proud to announce a new version of HyperMail that is scheduled to be live and launched on March 1st, 2010. This new platform of HyperMail is going to consist of many new features and robust usability. Primarily undergoing two major changes to it's billing and pricing, and the second being it's functionality of dedicated email servers. HyperMail's advanced technology allows for more cost-efficient pricing plans, switching from a pay-as-you-go model to low cost monthly billing subscription with ability to cancel at any time! Users will now be required to add and control their own 3rd party dedicated email servers to be configured into their HyperMail accounts. This is of greater benefit to you, as it will now incorporate dedicated and unique sending and deliverability to each customer's account through dedicated IP addresses and sending domain names. Below is a simple breakdown of our 3 monthly subscription plans, starting at just \$99.00!
